Summary of Activities – March 2009

In March we discussed our appropriation requests with members and staff. I met with Councilmen Billy Raymond, Terry Authement, Dennis Nuss and Shelly Tastet in DC and accompanied them to hill meetings with Senators Landrieu and Vitter, Congressmen Melancon and Scalise and their staffs and discussed the Parish's appropriation requests. I drafted a letter and passed around to councilmen and Parish President for comment and sent to Tanner Johnson who finished it off and secured Senator Landrieu's signature. It was a letter of encouragement to the Corps and EPA to finish the work and secure permit for Willow Ridge area.
